

Resuscitation Protocol for staff working in other organisations and premises not managed by BCPFT (see list below)

| | |
|---|--|
| Level of Response | BCPFT staff will provide a minimum of Adult Basic Life Support, with the use of paediatric modifiers for children. If staff are present with more advanced skills these may be incorporated dependant on equipment available and the policy of the host organisation/premises |
| What test calls are in place? | These will be the responsibility of the host organisation |
| Assistance is summoned in all areas by: | Verbal shout for help Telephone call to activate the emergency services |
| The emergency number is: | 9 999 for West Midlands Ambulance Service |
| The staff who will respond to this call will be: | BCPFT staff working in the area at the time of the emergency. These staff may be supported by the host organisation dependant on local policy/protocols |
| Equipment is kept: | The equipment will be the responsibility of the host organisation. BCPFT staff working in these settings will ensure that they familiarize themselves with the location and any relevant policies and procedures that are supplied by the host organisation. |
| The equipment will be brought to the emergency by: | A member of staff allocated by the person leading the emergency |
| The person responsible for leading the emergency once all of the team are available is: | A member of staff allocated by the person responding to the emergency unless handed over to a more senior member of staff. |
| The role of the other team members will be: | Delegated by the person leading the emergency |
| Access to the building will be by: | This will be determined and managed by the host organisation. BCPFT staff will familiarize themselves with the access requirements, including ensuring that the ambulance is escorted to the emergency. |
| The person responsible for completion of Datix is: | The person leading the emergency (The host organisation will need to raise the incident on their incident reporting system as they don't all use DATIX) |
| The next of kin will be informed by: | The person leading the emergency unless delegated to another suitably competent person |
| Debriefing will be by: | Person leading the emergency Matron of the host organisation Staff Welfare including psychologist Host organisation |
