Baby clinics are provided to give you the opportunity to have your baby weighed and ask any questions you may have regarding your child's health and development. Your Health Visitor will be able to advise you on how often you need to have your baby weighed.

The Dudley Health Visiting Service offers a wide range of clinic days and times throughout the Dudley borough to suit both you and your family.

Please note that you may not see your usual Health Visitor during clinic. You are welcome to attend any of the baby clinics below regardless of where you live.
